

Indiana Dairy Goat Youth Showmanship Point Series

The Indiana Dairy Goat Association is excited to announce that in 2021 the Indiana Dairy Goat Youth Showmanship Points Series (IDGYSPS) will be returning after a hiatus in 2020. Through this program we hope to further encourage the development, education, and participation of our Indiana dairy goat youth by providing an opportunity to compete in a showmanship based points competition throughout Indiana during the show season.

Program overview:

In an effort to include as many youth as possible, the showmanship points series will be open to youth from 8-21 years old. Participating shows will provide three (3) showmanship classes with the following age divisions (** please note change to include 8 year olds in the beginner division **): Junior- 8 to 12 years old, Intermediate 13-16 years old, and Senior 17-21 year old. For continuity throughout the show season the participant's age is calculated as of January 1st 2021. The point series will include a variety of dairy goat shows throughout the state of Indiana. At the conclusion of the season top point earners will be awarded prizes.
